

To Our Valued Customers,

Over the last month or so, we have come to realize that when the weather is nice, Fridays and Saturdays are a time for making memories at the cottage with friends and family. We completely understand that after so many restrictions over the last 2 years, people want to be out and about. Minden is a beautiful community with so many outdoor activities to enjoy.

That being said, we feel that opening only to have no traffic is not the best use of our resources. Because of this, we have made the business decision that our hours for the summer will be as follows. Please note that if it is raining Friday or Saturday we will be open.

Sunday & Monday:    CLOSED

Tuesday – Friday:        10am – 3pm

**\*\*\* Friday evening and Saturdays, we will be available for birthdays  
and event reservations\*\*\***

CALL & CHECK AVAILABILITY: 705-286-3900

Thank you for your understanding,
